Less Collection

design Roberto Paoli — 2024

LESS IS MORE

Less collection, designed by Roberto Paoli, is the result of an exploratory journey that starts with the stool archetype and ends with the shape essentiality.

Less is the result of research that leads the stool to have a new lightness, which improves functionality while maintaining its sturdiness.

Tubular metal, seat in shaped solid wood or upholstered in fabric: these are the choices of Less, to be applied in a variety of combinations typical of MIDJ solutions.
